Principal's Message:

Established in the year 1971, Radhamadhab College, Silchar has completed 52 Golden years of its establishment. On behalf of the College fraternity I take this opportunity to express my gratitude and thanks to all the stakeholders who have made this possible and have been with us in those last fifty two years of our glorious journey. I also congratulate the students who have chosen this institution for pursuing their higher Education. I am sure that students will develop themselves academically, mentally, physically and spiritually in our healthy academic atmosphere and in the long run each one of them will turn out to be responsible citizen with great social commitment.

The College offers Arts course at both H.S and Degree level and Commerce course only in the Degree level. Affiliated under Assam University, Silchar, Choice Based Credit System (CBCS) and FYUG under NEP are currently in vogue, which is based on inter-disciplinary approach. Moreover, to keep pace with the changing scenario of Higher Education and to prepare the students to face the changing global world, the College has embraced and adopted the New Education Policy-2020. We live in an era in which the quality of higher education is measured in terms of ranking and accreditation. Right now, we are marching towards the 3rd Cycle of NAAC accreditation with more vigour and dynamism.

I appeal to all the Teaching, Non-Teaching, Library and Office Staff to constantly endeavor to update them and disseminate knowledge to the future achievers of the nation. I ask the students to avail them of the opportunity and build up their career so that they can contribute to the process of nation building. Undoubtedly, imparting higher education is a noble task - something to which our institution has been committed to for the last 52 years. Every year students pass out with flying colours from this seat of higher learning. We aim at nurturing the mediocre and economically disadvantaged students and thereby achieve our target of all round development of the future citizens of the nation.

Lastly, I take this opportunity to admit the commitment of our diligent faculty and staff who help our students to scale newer heights. Come let us all join hands and earn more laurels for Radhamadhab College.

❖ **A BRIEF HISTORY OF THE COLLEGE**

A proposal to setup a college to impart general Higher Education to the people residing in the newly urbanized southernmost part of the town was mooted by some eminent educationists in the early part of 1970. A committee of some leading citizens was formed to start the college with the name New Silchar College in nearby Netaji Girls' High School from the academic session of 1971. The need for an Institution of Higher Education in this area began to be generally felt, and two "Sebaiets" of the Estate of the deity Radhamadhab, Late Rajanikanta Saha and Smt. Sefalikana Saha, wife of Lt. Hrishikesh Saha came forward to donate a plot of land, measuring 1½ acres for the purpose, on condition that the college be named after the deity Radhamadhab. So, the college under the name and style Radhamadhab College formally came into existence on 31st May, 1971. Gauhati University granted affiliation to the college upto Degree of Bachelor of Arts in the year 1971. In 1983 the Govt. of Assam extended to the College grants in aid status. The UGC granted its recognition (2f and 12B) in 1992 and since then the college has been receiving UGC financial assistance for various development projects. The college celebrated its Silver Jubilee year in 1996. Since its inception, the University toppers of both Gauhati University and Assam University have added fresh laurels to its achievements and added many a feather to its cap.

❖ **LOCATION OF THE COLLEGE**

Surrounded mostly by suburbs, the College is situated in New Silchar area about 2 K.M. away from the main centre of the city, in Silchar-Aizawl National Highway. All types of vehicles ply on the road and there is no problem to reach the college within a few minutes from any part of the city.

❖ **AFFILIATION AND RECOGNITION**

Started as a single faculty of Arts in 1971, the college was granted affiliation first by Gauhati University in 1971 for the award of degree in Bachelor of Arts and then it came under the jurisdiction of Assam University Silchar (A Central University) in 1994 when it came into existence. The Govt. of Assam granted the College grants in aid status in 1983. The college also got its registration in 1983 under Registration of Societies Act of 1860.

❖ ACCREDITATION

Radhamadhab College is the first college from Southern Assam and first among the affiliated colleges under Assam University to be accredited by National Assessment and Accreditation Council (NAAC). The Executive Committee of the NAAC on the recommendation of the duly appointed Peer Team declared the College Accredited with C+ Grade. The college was reaccredited in 2016 (Second cycle) with Grade B. Right now, we are marching towards the 3rd Cycle of NAAC accreditation. The College has already submitted the SSR for third cycle of accreditation.

❖ MANAGEMENT OF THE COLLEGE

The college is managed by a body of respectable personalities of the city, under the name and style “Governing Body”, constituted under the provision of Assam Non-Government College Management (Amendment) rules, 2009. Though the body is permanent in nature, but the tenure of most of the members in the body is generally three years. The body is composed of persons nominated by the Govt. of Assam from among the panels of personalities which include in it donor member as well as representatives from teaching, non-teaching staff of the college and guardian members.
