Dear Students,

It is indeed my pleasure and privilege to welcome you to this institution, to this seat of higher learning. At the outset I congratulate you and offer my regards and best wishes to all the parents and guardians who have been instrumental in moulding the future of their wards and have decided to repose their faith on us. I thank you for choosing Radhamadhab College as your holy shrine of learning.

Dear students, you are all aware that the outbreak of the pandemic owing to covid-19 has posed a challenge to humanity at large. The whole world, human race as a whole is trying to combat this unseen yet deadly foe and I am sure that a united effort on our part will definitely yield result. As we are to arm ourselves and our society against this battle, we have to admit that the pandemic has made an impact on social and economic aspects of our life. Likewise, there has been a paradigm shift in the education system, in the teaching-learning process as a whole. On assumption of the charge of Principal of this College, I found myself standing at the crossroads. Times were difficult and challenging, for, the need of the hour was change. What seems inevitable now is a change from the 'chalk and talk' method to virtual classrooms and ICT enabled teaching-learning process. To start with, we have arranged for online admission system for the benefit of the students. I am happy to announce that the faculties of this College have already initiated online classes for the students and I assure you that we will not only continue with this, but also expand it to include the evaluation process as well. I would like to inform the aspiring on-roll students of my college and also the students who would get enrolled in this institution that a change in outlook is of utmost importance now. Students should not only prepare themselves mentally but also equip themselves with the technology enabled tools, for, that would perhaps be the only alternative and key to their success.

A detail of the courses offered by the College in both the H.S and degree level has been provided in the prospectus and I would request all the stakeholders to take note of the same. The test/assessment is an important component of the teaching-learning process and I would insist upon the students to attend their classes regularly, either in the campus maintaining the norms prescribed by the Government, or in the online mode, whichever the situation demands.

Catering to the needs of the semi-urban and rural students, Radhamadhab College has carved a name for itself in the academic fraternity. The onus to carry forward this name and fame rests on us. Let us together, as members of Radhamadhab College family take the pledge to bring laurels and glory to this institution. I assure you of sincere cooperation in both academic and administrative matters.

Wishing you once again a bright and prosperous future and urging you to Stay Safe & Stay Healthy.

(Dr. Debashish Roy)
Principal

Radhamadhab College, Silchar-788006

❖ A BRIEF HISTORY OF THE COLLEGE :

A proposal to setup a college to impart general Higher Education to the people residing in the newly urbanized southern most part of the town was mooted by some eminent educationists in the early part of 1970. A committee of some leading citizens was formed to start the college with the name New Silchar College in nearby Netaji Girls' High School from the academic session of 1971. The need for an Institution of Higher Education in this area began to be generally felt, and two "Sebaiets" of the Estate of the deity Radhamadhab, Late Rajanikanta Saha and Smt. Sefalikana Saha, wife of Lt. Hrishikesh Saha came forward to donate a plot of land, measuring 1½ acres for the purpose, on condition that the college be named after the deity Radhamadhab. So, the college under the name and style Radhamadhab college formally came into existence on 31st May, 1971. Gauhati University granted affiliation to the college upto Degree of Bachelor of Arts in the year 1971. In 1983 the Govt. of Assam extended to the College grants in aid status. The UGC granted its recognition (2f and 12B) in 1992 and since then the college has been receiving UGC financial assistance for various development projects. The college celebrated its Silver Jubilee year in 1996. Since its inception, the University toppers of both Gauhati University and Assam University have added fresh laurels to its achievements and added many a feather to its cap.

❖ LOCATION OF THE COLLEGE :

Surrounded mostly by suburbs, the College is situated in New Silchar area about 2 K.M. away from the main centre of the city, in Silchar-Aizawl National Highway. All types of vehicles ply on the road and there is no problem to reach the college within a few minutes from any part of the city.

❖ AFFILIATION AND RECOGNITION :

Started as a single faculty of Arts in 1971, the college was granted affiliation first by Gauhati University in 1971 for the award of degree in Bachelor of Arts and then it came under the jurisdiction of Assam University Silchar (A Central University) in 1994 when it came into existence. The Govt. of Assam granted the College grants in aid status in 1983. The college also got its registration in 1983 under Registration of Societies Act of 1860.

❖ ACCREDITATION :

Radhamadhab College is the first college from Southern Assam and first among the affiliated colleges under Assam University to be accredited by National Assessment and Accreditation Council (NAAC). The Executive Committee of the NAAC on the recommendation of the duly appointed Peer Team declared the College accredited with C+ Grade. The college was reaccredited in 2016 (Second cycle) with Grade B.

❖ MANAGEMENT OF THE COLLEGE :

The college is managed by a body of respectable personalities of the city, under the name and style "Governing Body", constituted under the provision of Assam Non-Government College Management (Amendment) rules, 2009. Though the body is permanent in nature, but the tenure of most of the members in the body is generally three years. The body is composed of persons nominated by the Govt. of Assam from among the panels of personalities which include in it donor member as well as representatives from teaching, non teaching staff of the college and guardian members. The University nominates its representative to the body.
