ADMISSION NOTIFICATION

This is for information of all concerned that, as per the notification issued by the Director of Higher Education, Assam vide Ecf No: 473870/16 Dated 24/05/2024 & vide Ecf No: 473870/18 Dated 01/06/2024 regarding admission in FYUG 1st Semester, for the academic session 2024-25, the candidates willing to take admission in this college are to follow the following points:

1. Admission for FYUGP (Four Year Undergraduate Programme) either through Non-CUET mode or CUET mode will be provisioned only through the common admission portal (<https://assamadmission.samarth.ac.in/>).
2. Students will get six options for program selection either in the same Higher Educational Institution (University/Colleges) or in different Higher Educational Institutions (HEI) (University/Colleges). Six options may be exercised by the applicant in the Non-CUET category separately. In case, an applicant exhausts all six options, they may discard their application and apply afresh within the correction window, as mentioned above. Six option limit is applicable only for the Non-CUET admissions. Exhausting the six option limit in Non-CUET shall not block the applicants to apply in CUET based admission process. However, for CUET category, the options will be as per the CUET norms.
3. Students need to mark preferences against the options of programs. The College shall prepare their Merit list in accordance to the relevant policy of Assam University, Silchar. The College shall prepare the merit-list, as per their admission policy and criteria, either based on marks or preference. It is not mandatory for the College to prepare the Merit list on the basis of preference only. The Merit list will be prepared by the College based on the student's preference, subject to the fulfilment of merit criteria required for admission to the College.
4. The College will mark the students considered for offering admission by processing the merit list in the admission portal itself. Once marked and saved by the College, the merit list for the programs will be auto-generated and visible to students in the "merit list section" of the admission portal (<https://assamadmission.samarth.ac.in/>).
5. The students will receive an admission offer message with a URL in their registered e-mail and mobile number for further processing. Only upon acceptance of the admission offer by the applicant by logging into their admission portal, the Universities or Colleges will be able to process the application for grant of admission.

6. In the subsequent merit lists, if an admitted student is offered admission in a program/College in a relatively higher order of their preference, and if they wish to take admission in the other College then they need to raise a cancellation request on the first day of publication of subsequent merit lists till 5 P.M.
7. The College will have the discretion to check and verify the Income certificates produced by applicants at the time of admission. In case of any doubt, the College may ask the candidate to produce further relevant documents to ascertain the validity of the claim regarding the status of income below 2 lakhs, and only after being fully satisfied with the authenticity of the claim they will be granted admission under the Fee Waiver category. If the College is unsatisfied with the claim, they need to inform the applicant in writing with justification and grant admission under the non-fee waiver category.
8. In case, the Ration Card is given as an income document, the College will verify the income, which will be shown in the admission portal through API from the NFSA database at the time of grant of admission, and if satisfied that the income is below 2 lakhs then Fee waiver will be granted.
