Dear Sir,

Re : Payment of Premium under Group Savings
Linked Insurance (GSLI) Scheme, M.P.NO. 64029

We are happy to inform you we have started the servicing all group policies including collection & adjustment of GSLI premium through computer from the month of August, 2001. For the smooth and speedy servicing of the GSLI scheme through mechanised process full cooperation from your end is absolutely necessary. In this connection, we are giving below some points for your urgent and necessary action.

1. For the purpose of maintaining the accurate and correct data, we request you to send us the all informations of your employees under the above GSLI scheme as per enclosed proforma immediately at the time of sending next monthly premium.

While sending the list the total Nos. of the employees in different categories must be correctly stated and it should tally with the respective Nos. of employees of different categories for which you are actually remitting premium for the month.

2. While sending premiums for the particular month, the reconciliation statement (proforma enclosed) must be sent along with premium payment By Demand Draft. If the reconciliation statement is not sent and if there is any difference in amount of premium with that of previous month, then computer will not accept and adjust the amount and thereby such amount has to be kept in deposit/suspense A/C and thus this amount will not be treated as premium so long it is not adjusted.

3. Kindly send the monthly premium in such a way (positively within first week of the month) so that it reaches at our end within 20th of the respective month to avoid payment of interest.

4. In any case, there may be occasion that salary of a particular employee/person stopped and as such his premium could not be deducted and sent. In such cases the employer/master policy holder has to advance his premium creating an advance account against his name so as to guard life risk cover to such particular employee/person. Moreover, if there is any regular premium gap against any employee, it is not possible to maintain the accurate savings amount of the employee.

We hope you could realise the importance of the fact stated above and therefore extend your full co-operation by complying the requirements as stated above.

Yours faithfully,

Enclo.as stated
